 with Plants*

An oasis of serenity and natural beauty along Cypress Creek, Mercer Arboretum & Botanic Gardens is a horticultural masterpiece. These 250 acres of East Texas Piney Woods showcase the region's largest collection of native and cultivated plants. A living museum, it is also home to a wealth of animal life.

Every plant, every creature has a story to tell, and Mercer shares these stories with the public.

The Mercer Society, together with Harris County Precinct 4, provides funds for the continued enhancement of Mercer's educational programs, plant collections, capital improvements, and conservation efforts.

We invite you to become a vital part of a thriving, rewarding organization. When you become a member of The Mercer Society, you'll know the personal satisfaction that comes from your philanthropic support for the Mercer Arboretum & Botanic Gardens, plus you'll also enjoy a host of benefits and special offers.

MISSION STATEMENT

The Mercer Society, a nonprofit support organization, assists Mercer Arboretum & Botanic Gardens by organizing and implementing activities that encourage membership support, expand community awareness, and raise funds for the continued enhancement of programs and collections.

Become a Member and Grow with Us!
