Harris County Precinct 4's Jones Park entertains thousands of visitors each year with its recreational and educational opportunities including fishing, birding, guided canoe and pontoon boat trips, a playground, more than six miles of paved trails and boardwalks, and a nature center with historical and cultural displays. Special hands-on activities and events teach students and the general public about the lives of Texas settlers and Akokisa Indians from the early 1800s, and the natural world around them.

Jesse Jones Park Volunteers

Established in 1989, Jones Park's volunteer organization, the Jesse Jones Park Volunteers (JJPV), has helped support and assist Jones Park staff members. JJPV strives to educate children and the general public in natural and Texas history, while assisting with the maintenance and development of this Precinct 4 park.
