

Holiday Cookie Exchange and Gift Container

at
B. F. Clark Community Building

Wednesday, December 9 from 10:30 a.m. to noon

Grab your cookie cutters and a rolling pin, and listen up! This cookie exchange is the answer to your holiday entertaining and gift-giving. Here's how it works: Using a favorite, or treasured, recipe bake four-dozen cookies and bring them with you to this event. One dozen will be enjoyed (eaten, consumed, devoured) at the cookie exchange, and the remaining three-dozen will be divided among participants to take home to enjoy during the holidays.

B. F. Clark Community Center Assistant Tricia Thibodeaux gives participants instruction in making a gift container to fill with the fresh-baked cookies and a copy of the cookie recipe. Add a gift tag to complete the perfect heartfelt gift. Coffee and cider are included in the festivities.

A \$3 suggested donation helps defray the cost of the container, and participants need to bring holiday scrapbook paper and accessories to adorn their gift container. Reservations must be made one week in advance of the event and can be made by calling Precinct 4's Senior Adult Program, (281) 893-3726, ext. 32.
